ANNUAL REPORT

2023

2023 ANNUAL REPORT 年度报告

PREFACE 前言

Dear Volunteers, Sponsors and Friends of Heart to Heart, Special Fund of Shanghai Rende Foundation,

What a difference a year makes.

We had all looked forward to 2023 as a new start after a slow 2022. The new year definitely did not let us down. Our volunteers, sponsors and participating hospitals all came together to create the best year we've ever had if you measure our success by the number of heart surgeries we do. We were able to support an astounding 579 heart surgeries in 2023! It was simply an amazing year. Everyone associated with Heart to Heart in any capacity whatsoever deserves a big round of applause. Thank you!!!!

Here are some simplified ways looks at the year as a whole in our different sectors:

Volunteers

We lost a lot of experienced volunteers in 2022. Nevertheless, the various teams streamlined their processes, recruited new members where necessary and got on with their team goals. Fewer volunteers handled the huge increase in workflow that occurred to support the 579 surgeries. But, everyone obviously did great jobs at working smarter since the work got done with our smaller teams. Thank you to all who volunteered. No matter what your task/team was – administration, Art for Hearts, assembly, bag packing/delivery, Children's Day, events, field trips, finance, Golf4Hearts, group volunteering, heart bears, knitting, management, marketing/promotions, playroom, promotions/sales, sewing, sponsorship, translations, website, WeChat or the year-end report - it took all of us working together to complete that amount of work. Thank you.

Sponsors

Despite the fact that we don't advertise, our sponsor base held together and we even picked up some new, very inspired sponsors through referrals and word of mouth. It was a great year for monetary donations. In addition, some of the children who previously had heart surgeries received social insurance reimbursements so that we were able to utilize the donations to sponsor more children for heart surgery. The combined effect of great sponsors and the social insurance allowed us to reach that unprecedented 579 number.

2023 ANNUAL REPORT 年度报告

2023 also showed an increase in the number of donors who sent donated goods to us. They were efficiently processed and the appropriate items were sent out to groups who needed them, recycled or packed into the welcome bags for our new patients and their families. We've never given out so many bags before. In the hospital the kids and their families loved them. In addition, we received "gift" donations from schools and individuals that we were able to give to many of the children when they came out of the ICU. It was amazing how many of our children had never received a wrapped gift before and how excited they were upon opening them. Thanks to everyone who sent us goods – used or new. Everything was truly appreciated.

Hospitals

Heart surgeries were performed in 2 different hospitals in 2023. The participating hospitals were extremely efficient in locating and bringing in our little patients who needed heart surgery for congenital heart disease. The majority of children in 2023 appeared to be from group screenings that occurred in the provinces of Guizhou, Hunan, Qinghai, Shandong, Sichuan, Tibet, Xinjiang and Yunnan. We also had many children from all over China come in through referrals from "sister" hospitals to our main hospitals. The hospitals and our volunteers at those hospitals did a great job. It entailed a lot of coordination, logistics and paperwork. It all got processed, however, and the children and family representatives all made it into the hospitals in Shanghai for their surgeries. Thank you!!!

School Libraries and Sports Packages

2023 saw the resumption of our rural school library and sports package programs. Generous sponsored enabled us to dedicate 3 libraries/sports packages in Fujian province in September 2023 and 3 more libraries/sports packages in Sichuan province in November 2023. I know the libraries and sports packages were very much appreciated at the schools in both locations. Also, both trips were very rewarding for the groups who were able to go on the field trips. We hope to expand the program to 3-4 trips in 2024.

As I've said before many times over the years, everyone associated with Heart to Heart in ANY capacity should be extremely proud of what we achieved. Your performance in 2023 was stellar. Everything functioned really well due to your hard work, commitment, and donations. As a team – whether you are a volunteer, a sponsor, a hospital representative or a member of Rende Foundation – you changed everything for the 579 children (and their families) we helped. They are all going forward to live entirely different lives than they would have without what you did for them. It is not often that any of us can positively impact others

2023 ANNUAL REPORT 年度报告

in this manner. Thank you for your generosity, selflessness, energy and commitment. You will be remembered by all those 579 children and families as the people who gave them new futures.

Your dedication to Heart to Heart is inspiring. It is more than a pleasure to volunteer alongside you.

I don't know how it could be possible, but let's strive to make 2024 even better for children with congenital heart disease through Heart to Heart.

Happy New Year!

Karen Carrington
Executive Director (Volunteer)

亲爱的志愿者、捐赠人和上海仁德基金会心连心专项基金的朋友们：

一年有多大的不同！

在经历了不容易的 2022 年之后，我们都期待着 2023 年成为一个新的开始。新年绝对没有让我们失望。如果你用我们的心脏手术数量来衡量我们的成功，我们的志愿者、捐赠方和参与治疗的医院都聚集在一起，创造了我们有史以来最好的一年。2023 年，我们能够支持令人震惊的 579 例心脏手术！这简直是令人惊叹的一年。每一个以任何身份与心连心的人都应该得到热烈的掌声。非常感谢。

以下是我们对全年各个参与部分的总结和感谢：

志愿者

2022 年，我们因为各种原因流失了许多经验丰富的志愿者。尽管如此，各个团队还是精简了流程，在必要时招募了新成员，并实现了团队目标。更少的志愿者处理了因支持 579 例手术而出现的大幅增加的工作流程。但是，显然每个人都在志愿工作方面做得很好，因为这项工作是与我们的小团队一起完成的。感谢所有自愿参加的人。无论您的任务/团队是什么——管理、艺连心、后勤组装、包装/交付、儿童节、活动、实地考察、财务、高尔夫慈善赛、团体志愿服务、

2023 ANNUAL REPORT 年度报告

爱心熊、编织、宣传、游戏室、筹资、缝纫、赞助、翻译、网站，微信公众号或年度报告——我们所有人都齐心协力完成了这么多工作。非常感谢！

捐赠方

尽管我们不做宣传，但我们的捐赠人群团结在一起，我们甚至通过推荐和口碑找到了一些新的、非常有灵感的捐赠人。这一年的爱心捐赠十分令人欣喜。此外，我们很多开展手术的儿童也享受到了医保报销。因此我们能够利用捐款支持比预期更多的儿童进行心脏手术。优秀捐赠人和社保制度的共同作用使我们达到了前所未有的 579 人。

2023 年还显示，向我们捐赠物品的捐赠者数量有所增加。这些物品得到了有效管理，适当的物品分发给有需要的群体，构成了我们发给新患者及其家人的欢迎袋。我们以前从未分发过这么多袋子。在医院里，孩子们和他们的家人都很喜欢它们。此外，我们还收到了来自学校和个人的“礼物”捐赠，当许多孩子走出重症监护室时，我们能够将这些物品捐赠给他们。令人惊讶的是，我们的许多孩子以前从未收到过包装好的礼物，打开礼物后他们是多么兴奋。感谢所有给我们捐赠物资的人，无论是旧的还是新的。一切都得到了真正的赞赏。

医院

2023 年，在 2 家不同的医院进行了心脏手术。参与的医院非常有效地诊断和治疗了我们帮助的小病人，他们需要先天性心脏病的心脏手术。2023 年的大多数儿童来自贵州、湖南、青海、山东、四川、西藏、新疆和云南等省的集体筛查。我们也有许多来自中国各地的儿童通过从“姐妹”医院转诊到我们的主要医院。医院和我们的志愿者做得很好。这需要大量的协调、后勤和文书工作。然而，这一切都得到了有效的处理，孩子和家人都进入了上海的医院进行手术。非常感谢。

学校图书馆和体育套餐

2023 年，我们恢复了农村学校图书馆和体育用品一揽子计划。慷慨的捐赠使我们能够在 2023 年 9 月在福建省捐赠了 3 个图书馆/体育包，并在 2023 月在四川省捐赠 3 多个图书馆/运动包。我知道这两个地方的学校都非常感谢图书馆和体育包项目。此外，这两次旅行对能够进行实地考察的团队来说都是非常有意义的。我们希望在 2024 年将该项目扩大到 3-4 次。

正如我多年来多次说过的那样，所有参与上海仁德基金会心连心专项基金的人都应该为我们所取得的成就感到无比自豪。你在 2023 年的表现非常出色，由于你的辛勤工作、承诺和捐赠，一切都运转得很好。作为一个团队，无论你是志愿者、捐赠人、医院代表还是上海仁德基金会的

2023 ANNUAL REPORT 年度报告

成员，你都为我们帮助的 579 名儿童（及其家人）改变了一切。他们都将过着与没有你为他们所做的完全不同的生活。我们中很少有人能以这种方式对他人产生积极影响。感谢你的慷慨、无私、精力和承诺。579 名儿童和家庭将铭记你，因为你给了他们新的未来。

你对上海仁德基金会心连心专项基金的奉献精神令人鼓舞。能和你一起做志愿者是一件非常愉快的事。

让我们通过上海仁德基金会心连心专项基金，2024 年，努力让困难家庭的的先天性心脏病儿童得到及时的治疗，生活过得更好。

新年快乐！

Karen Carrington

执行总监(志愿者)

2023 ANNUAL REPORT 年度报告

HEART TO HEART'S MISSION 仁德心连心专项基金的目标

Life-saving, life-changing and life-enhancing

挽救生命 改变命运

Heart to Heart is a special fund of Shanghai Ren De Foundation. We are Shanghai based, but provide corrective surgery for Chinese children from all over China with congenital heart disease (CHD) whose parents are unable to afford the surgery. To date H2H has sponsored over 2,984 children for heart surgery. The surgeries not only saved their lives, but transformed the lives of their families.

上海仁德基金会心连心专项基金（以下简称心连心专项基金）是 2017 年 8 月 14 日在上海仁德基金会下设立的专项基金，致力于资助中国困境家庭的先天性心脏病患儿进行手术治疗。截至目前，心连心专项基金已帮助 2,984 名患儿筹集善款完成了治疗。这些手术不仅挽救了一条条幼小的生命，更是改变了一个个家庭的命运。

Heart to Heart is proud of the fact that we are and always have been a 100% volunteer project.. We also have a \$0 operating budget which means that 100% of donations are spent for surgeries. Sponsors are given documentation on where their donations were spent and can also visit the children while the children are in the hospital for their surgery. Sponsoring a child is a truly moving experience.

自成立以来，心连心专项基金始终坚持 100%由志愿者管理运营。零成本的运营意味着每一笔捐赠都 100%用于资助手术费用。我们为捐款人提供所捐款项的支出明细，并提供前往医院看望患儿的所需协助。每一个为这些孩子付出的善举都让我们备受感动。

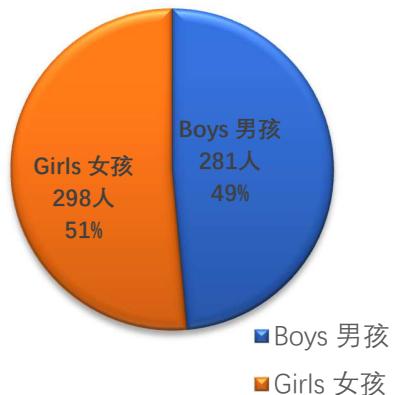

Our mission is to provide support and financial assistance to low income Chinese children who require heart surgery and to provide financial assistance to rural Chinese schools which require libraries, sports equipment and other essentials. For more information visit our website at www.h2hsh.com.

我们的使命是向需要心脏手术的中国低收入家庭儿童提供支持和财政援助，并向需要图书馆、运动器材和其他必需品的乡村学校提供财政援助。欲了解更多信息，请浏览心连心专项基金网站 www.h2hsh.com。

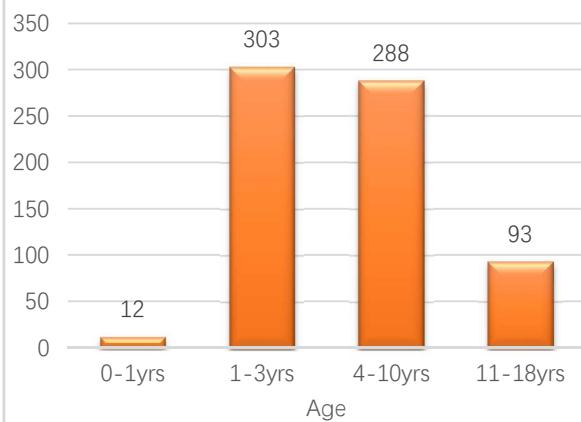

2023 ANNUAL REPORT 年度报告

H2H RURAL SCHOOL LIBRARY PROGRAM 心连心专项基金乡村学校图书馆捐赠项目

Our rural school library program was initiated in 2006. Although heart surgeries have always been our primary focus, early visits to our sponsored children's rural homes, villages, and schools made us aware of their very basic living and educational environments. Most books and educational aids were either old or non-existent. Discussions with headmasters and local educational officials revealed that little was available to the schools for supplementary library books. We established that RMB 20,000 would purchase a large selection of curriculum supporting reference and library books. We also found it would be most appropriate and cost effective if the headmasters selected and purchased the books needed on credit with a regional supplier. Heart to Heart would then pay the supplier during/after the library dedication ceremony.

Although conditions at schools have changed for the better over the years, rural primary schools still need books that encourage children to read and give them a sense of the outside world. Computers are also needed. Thus, the program has continued to be very popular both with the schools themselves and our donors who wish to promote education. As of 2023 December Heart to Heart has sponsored 162 rural school libraries in Anhui, Fujian, Guizhou, Henan, Hunan, Jiangsu, Jiangxi, Shandong, Sichuan and Zhejiang provinces.

2023 saw the resumption of our rural school library program. Generous sponsors enabled us to dedicate 3 libraries in Fujian province in September 2023 and 3 more libraries in Sichuan province in November 2023. We hope to expand the program to 3-4 trips in 2024.

我们的乡村学校图书馆项目始于 2006 年。虽然心脏病手术的资助一直是我们的重点，但在访问过资助患儿所在的乡村家庭、村庄、学校之后，我们对他们的生活和教育环境有了更多了解。我们发现大多数的少儿图书及辅助教育设施是老旧甚至缺失的。通过和当地学校的校长及教育官员的沟通，我们了解到学校很少有资金用于当地学校图书馆的书籍采购。我们计算后发现，两万元即可帮助学校购入大量的教辅书及课外读物。另外，由校长亲自挑选图书并向当地供应商购买图书是最合适、最经济实惠的方式。

虽然近年来学校的情况得到一定改善，但乡村小学依然需要更多图书来鼓励孩子们阅读，帮助他们了解外面的世界。并且，电脑设备也是短缺的。因此，心连心的这个项目对乡村学校以及希望促进教育的捐助者们来说都是很重要的。截止 2023 年 12 月，心连心已经赞助了 162 所位于安徽、福建、贵州、河南、湖南、江苏、江西、山东、四川和浙江等地的乡村学校图书馆。

2023 年，我们恢复了乡村学校图书馆计划。慷慨的捐赠使我们能够在 2023 年 9 月在福建省捐赠了 3 个图书馆，并于 11 月在四川省捐赠 3 个图书馆。

我们希望在 2024 年将该项目扩大到 3-4 次。

2023 ANNUAL REPORT 年度报告

RURAL SCHOOL SPORTS EQUIPMENT PACKAGE PROGRAM

心连心专项基金乡村学校运动包捐赠项目

Our rural school sports equipment package program was initiated in 2019. While talking with headmasters and students about what their schools need besides libraries, we found that most are trying to develop their athletics programs as well. Chinese students are renowned for their dedication to studying, but it seems that more and more children are out of shape because they don't get enough exercise. This is true in the cities and countryside alike. The government is building tracks and other things to help the schools, but most schools also want more practical things to make exercise attractive to students - ping pong tables, badminton sets, footballs, jump ropes, etc. These are easily purchased and are very cheap for the schools to order. We've found that RMB 5,000 covers a wide variety of things they need.

As of 2023 December 31, Heart to Heart has sponsored 22 rural school sports packages in primary schools in Anhui, Fujian, Hunan, Jiangsu, Jiangxi, Shandong and Sichuan.

2023 saw the resumption of our sports package program. Generous sponsored enabled us to dedicate 3 sports packages in Fujian province in September 2023 and 3 more sports packages in Sichuan province in November 2023.

We hope to expand the program to 3-4 trips in 2024.

我们的乡村学校运动包项目始于 2019 年，当我们和乡村学校校长以及学生们谈起除图书馆资助以外，学校还需要什么支持时，大部分学校反馈他们都在努力发展体育项目。中国学生对待学习的态度努力认真，但似乎越来越多的孩子由于没有得到足够的体育锻炼而身体状况不佳，这一情况在城市和乡村都很相似。政府会修建跑道等设施来支持学校，但大部分学校也希望有更多完善的器材来吸引孩子们进行运动锻炼，如乒乓桌、羽毛球套装、足球、跳绳等。它们购买简单，并且价格事宜，经调研，五千元人民币就可以帮助一所乡村学校采购到大量的运动器材。

截至 2023 年 12 月 31 日，心连心专项基金已资助了安徽、福建、湖南、江苏、江西、山东和四川等地的 22 所乡村小学的运动设施。

2023 年，我们恢复了乡村学校运动包捐赠计划。慷慨的捐赠使我们能够在 2023 年 9 月在福建省捐赠了 3 个体育包，并于 11 月在四川省捐赠 3 个体育包。

我们希望在 2024 年将该项目扩大到 3-4 次。

2023 ANNUAL REPORT 年度报告

RENDE FOUNDATION 仁德基金会

Shanghai Rende Foundation is a public fund registered with Shanghai Civil Affairs Bureau beginning on December 9, 2011. It is based in Shanghai and dedicated to supporting non-governmental causes of public good as well as promoting charity innovations and industry developments throughout China. It is recognized as a trusted non-governmental public charity foundation. Heart to Heart Shanghai is a special fund established under Rende Foundation to support the cost of surgical treatment for children with congenital heart defects nationwide as well as other services to support the children and their families.

Rende Foundation and Heart to Heart Shanghai work together to help as many children with heart defects as possible each year. Rende Foundation does not charge Heart to Heart a certification or administration fee so that H2H is able to continue providing 100% of monetary donations they receive to the end users – our sponsored children. It is a wonderful partnership – one that all of us treasure and hope to maintain for years to come.

上海仁德基金会是 2011 年 12 月 9 日在上海市民政局注册成立的支持型民间公募基金会。仁德立足上海，辐射全国，致力于支持民间公益，推动公益创新，促进行业发展，成为公众信任、行业认同、推动创新的民间公募基金会。

上海仁德基金会心连心专项基金是在上海仁德基金会下设立的一个专项基金，致力于支持全国困难家庭先天性心脏病儿童的手术治疗费用，并为其家庭提供相关的帮助。我们希望竭尽所能，每年争取帮助更多的孩子。上海仁德基金会更是不收取专项基金任何的管理和服务费用。因此，捐赠款项才得以 100% 用于困难家庭受助的孩子们。合作是愉快的，值得我们所有人珍视。未来，让我们继续携手同行。
