2025 ANNUAL REPORT ¹ 年度报告

PREFACE 前言

Dear Volunteers, Sponsors and Friends,

Happy Year of the Horse!

Your work and generosity towards Heart to Heart in 2025 was extremely important. Through it, we were able to provide 434 children with the heart surgery they needed, which brought our total number of surgeries since our inception in 2003 to 3,872. Each and every one of the children were treasured by their parents and certainly became precious to us during their surgery processes. Let's hope we are able to continue to increase the number of surgeries in 2026. So – Happy Year of the Horse! There are hundreds (maybe thousands) of Chinese children with congenital heart disease who need surgery and their families can't afford it. Let's hope that the Year of the Horse brings them to Heart to Heart and we are able to help them get that surgery. By working together as we did in 2025, we should be able to do amazing things.

Here is a simplified overview of the year:

Volunteers

We continue to be a 100% volunteer organization (a Special Fund of Shanghai Rende Foundation) with no paid or reimbursed personnel. Our teams of volunteers continue to be small, but we have streamlined what we do and are able to get everything done somehow. It always amazes me how much we can accomplish with a 0 yuan budget!

Thank you to all who volunteered. No matter what your task/team was – administration, Art for Hearts, assembly (Yoda and Yida Hospitals), bag packing/delivery, books, events, finance, Golf4Hearts, group volunteering, heart bears, knitting, management, marketing, playroom, processes & procedures, promotions/sales, sewing, sponsorship, translations, website, WeChat or the year-end report – I know that the 434 children who received heart surgery are glad that you contributed and that we were able to make it all happen. Be proud of yourselves!

You did an amazing job. Thank you!

2025 ANNUAL REPORT ² 年度报告

Sponsors

We love our sponsors! Despite the fact that we don't advertise or raise funds publicly, donations continued to flow in from generous individuals, schools and companies. We are so glad that you are part of the Heart to Heart family and that you continue to support us.

It was a great year for monetary donations - obviously. We couldn't have paid for and supported 434 heart surgeries if it hadn't been. Since we haven't processed most of the social insurance reimbursements on qualified surgeries from 2025, 2026 should be a good year as well. We hope to increase the total number of surgeries we provide in 2026.

Donors continue to send us new and 2nd hand in-kind donations. They were efficiently processed by the assembly teams at both Yoda and Yida Hospitals. Most of the new items were distributed within our sponsored families as they came into the hospital. Over 450 bags were packed and given out – full of toiletries, clothing, school bags, books, toys, diapers, etc. The families were very appreciative. Donated goods were also sent out to villages that requested help and the recipients seemed very happy with the clothing and toys that they received. Thanks to everyone who sent us goods – used or new. Everything was truly appreciated.

Yida Hospital

All of our heart surgeries were performed at Yida Hospital in 2025. They were extremely efficient in locating and bringing in our little patients who needed heart surgery for congenital heart disease. The majority of children in 2025 appeared to be from group screenings that occurred in the provinces of Fujian, Guizhou, Hunan, Qinghai, Shandong, Sichuan, Tibet, Yunnan and Xinjiang. We also had many children from all over China come in through referrals from “sister” hospitals to our main hospitals. The hospitals and our volunteers at those hospitals did a great job. It entailed a lot of coordination, logistics and paperwork. It all got processed, however, and the children and family representatives all made it into the hospitals in Shanghai for their surgeries. Thank you!!!

In Conclusion

As I've said before many times over the years, everyone associated with Heart to Heart in ANY capacity should be extremely proud of what we achieved. Your performance in 2025 was incredible. Heart to Heart only exists due to your hard work, commitment, and donations. As a team – whether you are a volunteer, a sponsor, a hospital representative or a member of Rende Foundation – you changed everything for the 434 children (and their families) we helped. They are all going forward to live entirely different lives than they would

2025 ANNUAL REPORT ³ 年度报告

have been able to without what you did for them. It is not often that anyone can positively impact others in this manner. Thank you for your generosity, selflessness, energy and commitment. You will be remembered by all those 434 children and families as the people who gave them new futures.

Your dedication to Heart to Heart is inspiring. It is an honor to volunteer alongside you.

I hope you are all as excited as I am to work towards a 2026 that is even better than 2025 for children with congenital heart disease in China who need help.

Happy New Year!

亲爱的志愿者、捐赠方和朋友们:

马年快乐!

2025年各位对“心连心”组织的奉献与支持具有极其重要的意义。在你们的助力下，我们成功为 434 名儿童实施了心脏手术，使自 2003 年成立以来的累计手术总量达到 3,872 例。每一位孩子都是父母珍爱的宝贝，在治疗过程中也成为了我们心中最珍贵的生命。期盼 2026 年我们能帮助更多患儿获得新生——在此谨祝大家马年吉祥!

目前中国仍有成百上千罹患先天性心脏病的儿童因家庭经济困难无法得到救治。愿马年能引领更多患儿来到“心连心”，让我们携手为他们重燃生命希望。相信延续 2025 年的精诚合作，我们定能创造更多奇迹。

以下是本年度简要回顾:

2025 ANNUAL REPORT ⁴ 年度报告

志愿者团队

我们始终保持百分之百的志愿者组织性质（隶属于上海仁德基金会专项基金），无任何受薪或领取补贴人员。虽然团队规模精干，但通过优化工作流程，我们依然高效完成了所有使命。零成本运营却能成就如此事业，这本身就是令人惊叹的奇迹！

衷心感谢每一位志愿者。无论您负责行政管理、“艺连心”慈善艺术展、捐赠物资整理（远大心胸医院与医大医院）、爱心大礼包分装配送、图书管理、活动筹办、财务统筹、“高尔夫慈善”项目、团体志愿服务、爱心小熊制作、编织活动、组织管理、宣传推广、儿童游戏室、流程优化、促销义卖、缝纫制作、赞助对接、翻译、网站维护、微信公众号运营，还是年度报告编撰——请相信，434 位重获新生的孩子都在感谢您的付出。

请为你们取得的卓越成就感到自豪！诚挚致谢！

捐赠方伙伴

我们珍视所有捐赠伙伴！尽管我们不进行公开募捐，来自爱心人士、学校及企业的善款依然持续汇聚。感恩您成为“心连心”大家庭的一员，与我们并肩前行。

2025 年的捐赠成果显著——这无疑是实现 434 例手术的基石。鉴于大部分 2025 年度医保报销尚未完成结算，2026 年资金状况预计将持续向好，这将支持我们救治更多患儿。

捐赠物资也源源不断汇聚。远大与医大医院的后勤团队高效处理了所有崭新及二手捐赠物资，全新捐赠物品主要在受助患儿入院时发放。我们分装了 450 多个爱心大礼包，内含全新洗漱用品、衣物、书包、书籍、玩具、尿布等，获得患儿家庭们由衷的感激。部分捐赠物资还送往偏远山区，当地收到衣物玩具的民众皆喜悦满怀。

感恩每一位物资捐赠者，您馈赠的每件物品都承载着温暖心意。

2025 ANNUAL REPORT ⁵ 年度报告

医大医院

2025 年所有心脏手术均在医大医院完成。院方在先天性心脏病患儿筛查接洽方面展现出卓越效率，这一年多数患儿来自福建、贵州、湖南、青海、山东、四川、西藏、云南、新疆等地的集体筛查，同时也有全国多地合作医院转诊而来的患儿。各地医院及驻院志愿者完成了大量协调、物流及文书工作，最终使所有患儿及家属代表顺利抵沪接受治疗。

在此谨表谢忱！

结语

如往年所言，“心连心”每位参与者都应为我们的集体成就深感自豪。2025 年的表现令人惊叹——正是诸位的辛勤付出、坚定承诺与慷慨捐赠铸就了“心连心”的存在。无论您作为志愿者、捐赠方、医院代表还是仁德基金会成员，这个团队共同为 **434 个** 家庭带来了命运转折。因为你们的奉献，这些孩子即将开启与过去截然不同的人生。能以如此方式深刻影响他人生命的机会何其珍贵，感谢你们奉献的慷慨、无私、热忱与坚持，**434 个** 家庭将永远铭记给予他们崭新未来的人们。

你们对“心连心”的奉献精神令人敬佩，能与诸位并肩同行是我的荣耀。

祈愿大家与我同样期待，让我们携手为 2026 年谱写新篇，为中国需要帮助的先心病儿童创造比 2025 年更美好的明天！

新年快乐！

HEART TO HEART'S MISSION 仁德心连心专项基金的目标

Life-saving, life-changing and life-enhancing

挽救生命 改变命运

Heart to Heart is a special fund of Shanghai Ren De Foundation. We are Shanghai based, but provide corrective surgery for Chinese children from all over China with congenital heart disease (CHD) whose parents are unable to afford the surgery. To date H2H has sponsored over 3,872 children for heart surgery. The surgeries not only saved their lives, but transformed the lives of their families.

上海仁德基金会心连心专项基金（以下简称心连心专项基金）是 2017 年 8 月 14 日在上海仁德基金会下设立的专项基金，致力于资助中国困境家庭的先天性心脏病患儿进行手术治疗。截至目前，心连心专项基金已帮助 3,872 名患儿筹集善款完成了治疗。这些手术不仅挽救了一条条幼小的生命，更是改变了一个个家庭的命运。

Heart to Heart is proud of the fact that we are and always have been a 100% volunteer project.. We also have a \$0 operating budget which means that 100% of donations are spent for surgeries. Sponsors are given documentation on where their donations were spent and can also visit the children while the children are in the hospital for their surgery. Sponsoring a child is a truly moving experience.

自成立以来，心连心专项基金始终坚持 100%由志愿者管理运营。零成本的运营意味着每一笔捐赠都 100%用于资助手术费用。我们为捐款人提供所捐款项的支出明细，并提供前往医院看望患儿的所需协助。每一个为这些孩子付出的善举都让我们备受感动。

Our mission is to provide support and financial assistance to low income Chinese children who require heart surgery and to provide financial assistance to rural Chinese schools which require libraries, sports equipment and other essentials. For more information visit our website at www.h2hsh.com.

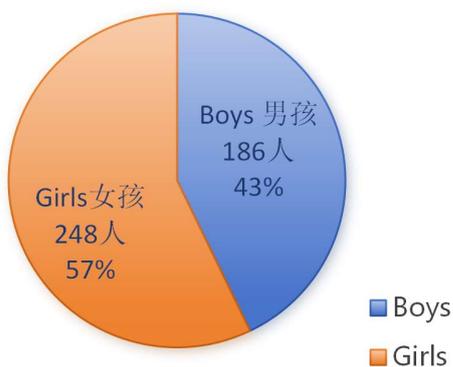

我们的使命是向需要心脏手术的中国低收入家庭儿童提供支持和财政援助，并向需要图书馆、运动器材和其他必需品的乡村学校提供财政援助。欲了解更多信息，请浏览心连心专项基金网站 www.h2hsh.com。

RENDE FOUNDATION 仁德基金会

Shanghai Rende Foundation is a public fund registered with Shanghai Civil Affairs Bureau beginning on December 9, 2011. It is based in Shanghai and dedicated to supporting non-governmental causes of public good as well as promoting charity innovations and industry developments throughout China. It is recognized as a trusted non-governmental public charity foundation. Heart to Heart Shanghai is a special fund established under Rende Foundation to support the cost of surgical treatment for children with congenital heart defects nationwide as well as other services to support the children and their families.

Rende Foundation and Heart to Heart Shanghai work together to help as many children with heart defects as possible each year. Rende Foundation does not charge Heart to Heart a certification or administration fee so that H2H is able to continue providing 100% of monetary donations they receive to the end users – our sponsored children. It is a wonderful partnership – one that all of us treasure and hope to maintain for years to come.

上海仁德基金会是 2011 年 12 月 9 日在上海市民政局注册成立的支持型民间公募基金会。仁德立足上海，辐射全国，致力于支持民间公益，推动公益创新，促进行业发展，成为公众信任、行业认同、推动创新的民间公募基金会。

上海仁德基金会心连心专项基金是在上海仁德基金会下设立的一个专项基金，致力于支持全国困难家庭先天性心脏病儿童的手术治疗费用，并为其家庭提供相关的帮助。我们希望竭尽所能，每年争取帮助更多的孩子。上海仁德基金会更是不收取专项基金任何的管理和服务费用。因此，捐赠款项才得以 100% 用于困难家庭受助的孩子们。合作是愉快的，值得我们所有人珍视。未来，让我们继续携手同行。
